

### Investment Strategy

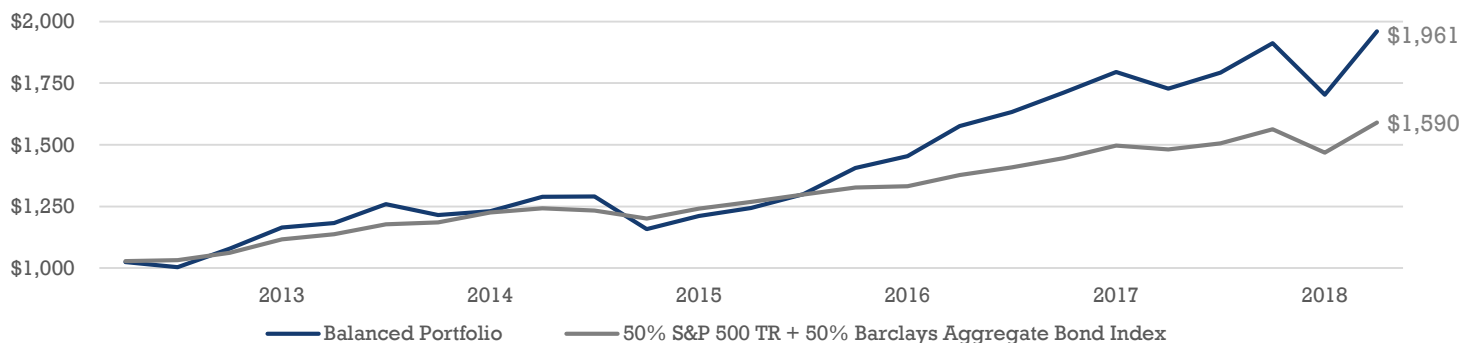

**Alpha Wealth Funds - Balanced Portfolio** is a 50 percent stock, 50 percent bond mix of low cost, US based index funds and ETFs that minimizes fees and transaction costs. Geared to be an efficient, low-cost low-fee portfolio, the Balanced Portfolio also uses covered options contracts and short volatility trades. The Balanced Portfolio seeks to provide healthy market returns but with considerably less volatility due to its larger bond component.

The Balanced Portfolio is suitable for investors that need growth but want to diminish volatility and stock market exposure risk.
